## AFFIDAVIT

I, Scott Cannon, Deputy United States Marshal (DUSM), United States Marshals Service (USMS), being duly sworn, depose and do state the following:

1. I have been employed by the United States Marshal Service as a Deputy U.S. Marshal (Criminal Investigator) since 2011. As a Deputy U.S. Marshal I am authorized to enforce violations of Federal Law. Prior to my service with the U.S. Marshals Service, I served as a Criminal Investigator for the Ohio Department of Public Safety for approximately (8) eight years. During the course of my career I have conducted criminal investigations and made arrests of people who have violated both state and federal laws and have received training as to the legal principles and statutes representing violations of the United States Criminal Code (USC).
2. All information contained in this affidavit is a product of my personal observation and investigation or has been provided to me by other law enforcement authorities who I believe to be reliable.
3. On November 17, 2011, pursuant to a judgment entered by Lyle E. Storm, Senior United States District Judge for the United States District Court for the District of Nebraska, Andrew J. PARKER'S supervised release was revoked. PARKER was then sentenced to the custody of the United States Bureau of Prisons (BOP) for a term of sixteen (16) months. Upon completion of PARKER'S incarceration, he will not be placed on supervised release.
4. On June 25, 2012 PARKER was given an unescorted transfer furlough by the BOP authorizing him to proceed from the Federal Correctional Institution, Forrest City to the CH Inc.

Correctional Facility in Council Bluffs, Iowa. On June 26, 2012 PARKER arrived at CH Inc.

PARKER is still assigned to the custody of the BOP with a current release date of October 20, 2012.

5. According to a report by CH Inc. Correctional Officer (CO) Cody Villont, on August 7, 2012 at 1735hrs, CO Villont gave PARKER permission to exit the building for purposes of taking out the trash. CO Villont noticed that PARKER never came back into the facility. CO Villont then placed the facility on lock-down to conduct a prisoner count. After the count, it was determined that PARKER was not in the facility. At this point CO Villont initiated escape procedures.

6. On August 7, 2012, your affiant was advised of the escape by Lori Newell, Residential Reentry Specialist.

7. On August 7, 2012, The United States Marshal Service received a United States Bureau of Prisons "Notice of Escaped Federal Prisoner" and a "Teletype Notice to USM Escape" from Residential Reentry Specialist Lori Newell.

8. Based on the facts and information presented above, it is requested that an arrest warrant be issued for PARKER due to his violation of U.S.C. Title 18 section 751(a).

A handwritten signature in black ink, appearing to read 'Scott Cannon', is written over a horizontal line.
